10) Even now the matter does not appear to be quite clear out of the grant of Rs 10 000/- sanctioned during 1947-48 it is stated that Rs 4 000/- has already been spent and bills aggregating Rs 7,220/- are said to be in progress This will mean that against a grant of Rs 10,000/- made by Govt the Municipality will be spending only ~~about~~ a little over Rs 1,000/- The grant of Rs 25,000/- now asked for is stated to be Rs 10,000/- (presumably in addition to the Rs 11,220/- to be spent as above but there is no estimate to Kirby Mss) and Rs 15,000/- for filling up the moat behind the Town Hall, for which also there is no estimate In either case the Municipal Council do not propose to contribute anything, the reason given being given "Slender finances" The financial condition of the Municipality is noted in para 3 supra

12) A sum of Rs 97,875 was granted as grant during the year 1948-49 to the Chickballapur Town from out of the water supply grants towards the permanent water supply scheme of the town + no grants were made during 48-49 from out of the Town Improvement Grants to this self

Ans to 12) dealt with reference to para 11 supra

10/4 Rs 11-4-49

14) From the files reports dated 24 3 49, it is seen that the grant of Rs 10000/ granted during 1948-48 has not yet been fully spent

15) Out of the grant of Rs 25000/ recommended during the current year, Rs 10,000/ is proposed to be spent on other improvement works and the balance Rs 15,000/- for filling up the moat just behind the Town Hall where the estimate for the works, are now ready specially mentioned are not ready

The TM cl does not propose to contribute anything towards these works contemplated to be taken up + it will be seen from para 3 that the financial condition of this TMC is not ready to devote or bear any part of the cost of the works. We are served by the State whose financial condition is really bad Chickballapur is not one of them

Having regard to the above facts, it does not

in view of the reasons more than the copies per

appear necessary to sanction any Town Improvement Grant during the current year, unless the Municipality submits a list of works to be taken up, with estimates thereof & also agrees to contribute half the estimated cost thereof. It must also furnish full accounts of last year's Improvement Grant. If approved, the D.C. Kolar will be informed accordingly.
